Scripture-Use Seminar—Rave Reviews

Lughulu people from three different congregations attended a one-day seminar on personal Bible use and sharing the Scriptures with others. First, someone read a story from the Gospel of Luke. Then another person retold the story and asked content

questions about the events, people and places mentioned. After that, the storyteller asked the group what the story meant and helped the listeners apply the lessons to their lives.

The host church pastor reported rave reviews. After this seminar, a new believer asked for prayer for her mother who's involved in witchcraft. She's causing a lot of trouble for this young Christian. After reading the Scriptures in her language, the young woman's faith is stronger; she believes Jesus will help her in this situation.

- **Praise God for the overwhelming success of this Scripture-use seminar.**
- **Ask God to help the new believer deal with her mother and with her fear. Pray that her mother will come to Christ and break free from her affiliations with the occult.**

Romans and Galatians Are Almost Ready!

The team met with a consultant during a recent workshop where they worked through the epistles of Romans and Galatians, books theologically rich in salvation truth. Now the translators are planning to implement the suggestions the consultant made.

In their enthusiasm, the team had also prepared Ephesians for the consultant's review, but the consultant only had time to check two of the six chapters. He'll review the rest on his next visit. Here you see team members with the consultant.

Translation Step 5: Consultant Check

This is a formal review by a trained consultant of the translation to make certain that it's true to the original meaning and speaks clearly.

Lughulu

Making Christ At Home

“Then Christ will make his home in your hearts as you trust in him. Your roots will grow down into God’s love and keep you strong” (Ephesians 3:17).

This is one of the passages the consultant will soon be checking in Ephesians. The truths contained in this verse can be life-altering. As God’s Word does its work, the Holy Spirit brings conviction of sin and assurance of truth. Whether in East Africa or the United States, God’s unchanging Word changes lives. Consider sharing with someone how God is at work in your own life.

- **Praise God for the effectiveness of His Word across cultures.**
- **Please continue to pray for the Lughulu people as they learn more about who God is and His deep love for each of them.**
